Voters nix 101, 30

Hancock County voters followed the trend of the rest of Mississippi Tuesday in rejecting the constitutional amendment on redistricting and creating a nine-member appointive state board of education while the office qualifications amendment appeared headed for victory.

Unofficial returns from 24 of the county's 25 precincts turned down the reapportionment plan, SRC 101 by 411 for and 665 against.

HCR 30, the board of education amendment, lost to 368 to 704 while a slender three vote margin put HCR 39, permitting the legislature to set requirements for certain office holders, ahead, 532 for and 529 against.

Missing precinct is Standard and that is expected in this morning when the county election commission meets to canvass the tally.

Considering it was an off-election year, the turnout was unusually heavy, the run-off election for the Beat 1 seat on the board of supervisors and Waveland's Democratic primary providing drawing cards for the voters in those areas. The biggest turnout was in Waveland where No. 30 was beaten 124 to 160, No. 39 won 146 to 142 and No. 101 lost 93 to 201.

In Bay St. Louis, largest vote was at Central School. Results here gave No. 30 27 for and 85 against, No. 39 got 52 for and 60 against, and No. 101 went down 17 to 86.

The reapportionment amendment carried in only seven of the county's precincts: Pearllington, Logtown, Gainesville, Aaron Academy, Crane Creek, Cumhoul and Fenton. On the other hand there were five precincts where the board of education proposal carried: Ansley, Pearllington, Crane Creek, Debus and Clermont Harbor. In most other places, opposition

AS WAVELAND VOTED - Mayor Garfield Ladner, left, discusses prospects of the outcome in Tuesday's Democratic primary for Waveland town offices, with a group of friends at the polling place in Town Hall. Ladner has served 20 years as mayor and with his nomination this time he will be seeking his sixth term in the office.

Sonier, Ferrell in Waveland run-off

Most incumbent Waveland officials were renominated in Tuesday's Democratic primary, but Ward 1 alderman John Garza, lost to John Longo, Jr., and incumbent Dominick Sonier faced a Nov. 20 runoff election against Lee Ferrell for alderman from the 2nd Ward, receiving 68 votes to Ferrell's 56 and Oswald Villalobos 22.

In town-wide races incumbents won easily with Marshall and Tax Collector Fred Bourgeois heading the list with 426 votes to Mickey Graham's 78. Treasurer Willie Bourgeois polled 404 votes to Pete Ladner's 89, while Mayor Garfield Ladner plowed under Mel Villere, 395 to 104.

Other results were Albert Grass, 68, to Kenny Fayard, 34, for alderman Ward-4, and Tony Bourgeois, 157, over Herman Yarbrough, 64, for alderman Ward 3.

With Democratic nomination being equivalent to election this will be Ladner's sixth term, Fred Bourgeois's fifth and Willie Bourgeois's fourth.

Dean wins Beat 1 run-off

Harlan G. (Boogie) Dean of Pearllington won the run-off election to serve the remainder of the late Charles A. Russ, Jr.'s term on the board of supervisors, defeating B. G. (Jim) Kelly, 218 to 158.

Dean, rounding out his third term as constable for the beat, carried three precincts, Pearllington with 75, Napoleon with 61 and Gainesville with 37. Kelly carried Ansley, 13 to 5, while they split Logtown with 40 each.

Kelly polled 18 votes in Napoleon, 26 in Gainesville and 61 in Pearllington.

Mrs. Russ has been serving on the board of supervisors with an interim appointment.

Deputies occupied by out of state fugitives

David Frank, 20 and Roy Means, 21, of Carlinville, Ill., are in Hancock County jail awaiting the arrival of Sheriff Russell Brown of Carlinville due early next week to pick them up on two charges.

Frank is wanted in connection with the \$500 theft of tools and both will be questioned on the burglary of a wholesale jewelry house from which approximately \$1,300 worth of wrist watches and costume jewelry were taken the night the pair fled the Illinois town.

Frank, Means and two 18-year old Carlinville girls, whom they had married in Alabama, were arrested at 5:25 p.m. last Thursday, just off Old Spanish Trail by Deputy Sheriff Gerard Freeman on a charge of disorderly conduct. They were in a 1957 Pontiac at the time of their arrest.

A call to parents of the girls revealed that warrants had been issued for the two men. They were released in custody of the parents.

The Sheriff's department also issued warrants charging Norman Wells with trespassing, disturbing the peace and public drunkenness and his son Norman Wells, Jr., with assault with intent to kill Steven Ladner.

Deputy Freeman was called to the Ladner home in Standard Community near Dadeout late Friday night and found that the two Wells had entered the home with an argument about the loan of an automobile. Young Wells apparently fired one shot from a 22 calibre Remington-Union Smith which struck Mrs. Ladner in the hand, a second bullet jammed

Eye federal aid on hospital job

The machinery toward getting a federal grant under the new Public Works Law 87-658 for a 20-bed addition to Hancock General Hospital was initiated when the board of supervisors met Monday.

Appearing with the request for action and an outline of what must be done to file the application for federal matching funds were Thomas O. Logue, hospital administrator; T. T. Reboil, Jr., president of the board of trustees, and Trustees Cornelius J. Ladner and Clifford Sauder.

Architects to design the facility will be interviewed by the supervisors at a meeting commencing at 9 a.m. Tuesday.

It is estimated that the addition will run in the neighborhood of \$350,000 to \$400,000 of which one-third would have to be raised locally. Logue suggested that the supervisors proceed immediately with the bond issue even though their sale would not be necessary until the project is approved. If OK'd, construction would have to start by next June 1 and be 50 per cent complete within 12 months.

These various items must be done to secure matching funds and while the application might be rejected because of low priority, Logue expressed the view that the project would be a result of impending growth as a result of the NASA project would give Hancock a good chance. He also Hancock has conferred with Foster Fowler, director of the Mississippi Commission on Hospital Care, regarding the preliminary and produced letters of support from Bay St. Louis and Waveland officials along with the Chamber of Commerce.

Seek equipment

Fire woe told

Purchase by the county of government surplus plows through civil defense matching funds to help with fire fighting in outlying areas was urged by Bay St. Louis Mayor John A. Scalfie and Area Forester Glen Purvis at Monday's meeting of the board of supervisors.

Their plea was accentuated by a rash of forest fires Sunday including one which threatened a wide section on the fringe of North Bay which city firemen went to at 1:30 a.m.

Scalfie explained that the nature of the terrain in the fringe areas, plus lack of water, makes city-type fire fighting out of the question. Plows are needed to hook on tractors, he asserted. The city is getting one and he urged the supervisors to do likewise to help those residents, suggesting civil defense as the means.

City firemen try to help when they can, he noted, but in calls eight or 10 miles out, sending the equipment is like using one bucket of water. Both he and Purvis urged using county workers to man any equipment, asserting that volunteer help can be tough and go wherever if a man is paid for the job he will perform it.

Board attorney Lucien Cox indicated this was permissible so long as it was made available to the general public.

Sheriff Gerald V. Price said he would get the word to the men needed if equipment is provided and Purvis agreed to oversee the job. The forester discussed the problem of fires purposely set off indicating that was it case in the sub-division bl.

Question for school board

Where should we trade?

"Do you want me to buy there it's cheapest or buy in the county?" was the ticklish question posed to the county board of education Monday and trustees appeared somewhat stumped for a firm answer.

The query came from Hancock North Central Principal J. D. Penton as a result of the last meeting when the "buy at home from our taxpayers" philosophy was advanced.

Board President Charles B. Murphy quickly advised "In the county if the price is reasonable and there's little difference."

Beat 4 Trustees S. P. Powell reflected that "some Piquette businessmen own more land in this county and pay more taxes than our own people do."

Beat 3 Trustee Lugs Neaploe took the view that merchants in took the view that merchants in other communities "make us feel welcome in their town on a Satur-

day. These Hancock people act like they don't want us to come to the Bay on Saturday... that's why I don't buy here."

Penton said he had called a Bay St. Louis firm for services on the school's public address system and been told it was too far to make a call at North Central.

Several bills held over from the last meeting for questioning for the lumber, letting Annunciation parish have the back location, Supervisor James D. Neaploe of Beat 4 asked the board to retain the cinder block location in the middle for a voting precinct.

Father Dugan, who came here in July from Thomas, Okla., succeeding Rev. Celestino Piamassial, transferred to Savannah, Tenn., said he hopes to have a parish school in operation next September by renovating the old Kiln School building purchased

some time ago. About 30 pupils already have signed up and the first eight grades, two to a room, are contemplated.

BY MRS. MALCOLM GREEN

The November meeting of the Gulfview Co-ops club will be at 7:30 p.m. Monday. Guest speakers will be Russell Elliott and Lucien Kidd of Bay St. Louis. Their subject will be civil defense. Refreshments will be served by the 5th and 6th grade room mothers.

The Halloween party at the school was the biggest and best ever. Throngs of youngsters in and out of costume played apples on a string, darts, cake walk, and others and \$199.20 was taken in. Big prize winners were Clover Green, Mrs. May Lozano, Pat Yarbrough, Mrs. E. Lee and Mrs. Carrie Williams. I'd like to thank Style Beauty Salon, Dave McDonald, Kern's, Winn-Dixie, Jimmy Jangle, Superfine, Bloomman, Quick and Grace, Haverly's, Cue Oil, Weathers Laundry, T. G. and Y. Mary Carter, Casanova, Sam Whitfield and Jackson Brewing Co. for their help every year.

Mr. and Mrs. Louis (Fritz) Garcia invite their many friends to come up to the (new) Superfine building and register for some of the many lovely and useful prizes to be given away during their open house Nov. 15-17. Miss Linda Ladner was honored last Sunday with a surprise bridal shower given by Betty Ladner and Jean Fusch. The secret was so well kept Linda came in her bowling outfit. She received so many lovely gifts, she almost needed a truck to haul them home. Her wedding to Mr. Tomadich will take place at Our Lady of the Gulf Nov. 24 with a reception at the Yacht Club. Lakeshore friends are all invited through this medium.

When Tina and Lambert Bordages changed trains in Atlanta, en route to New York City, imagine their surprise when they ran into smiling Wallace Colly, a native of Clermont Harbor, who makes his home in Atlanta. Mr. Colly plied them with questions about his many friends and was overjoyed to see someone from "down home".

A very happy 28th anniversary to Milton and Leola Stoutlet who celebrated Halloween night.

Little Miss Patricia Thornton has finally been discharged from her visits to Memorial Hospital by her doctor. On her last visit she attended a 5th birthday party for little Peggy, a little girl raised by the nurses on the pediatrics floor at Memorial.

The cemetery was ablaze with flowers of every hue and description. Due to a virus I was unable to make the usual rounds in the afternoon when Father Hayes came to bestow his blessing. This is the best part of the day, when you see those who have moved away and return once a year for this occasion.

Mr. and Mrs. Arvine Garcia and son, Kenny Lee, have a house full of very welcome company. Billie's brother, Gayle Sweetman of Mountain Home, Ark., is here with his wife, four sons and little daughter.

Mr. and Mrs. Oren Seal attended the North Central home coming game and must have brought the Hawks luck for they won their first game.

Harry hears ... Tigers vs. Greyhounds

Bay High closes the curtain on its 1962 football season Friday, and never has there been a more important season-ending game in the history of the school. To begin with, Tiger old grads will be among the several thousand spectators expected for the contest to help with homecoming celebrations. Second, at stake is the Gulf Coast Conference championship.

A Bay High victory over the Ocean Springs Greyhounds, their opponents, will bring the local school its third GOC grid title in the four-year history of the league. Ocean Springs currently ranks first with a spotless 5-0 record, while the Tigers follow close behind, sporting a 4-0-1 record. The Greyhounds, seeking their first championship, need only a tie against Bay High to claim first place.

The Tigers will try to maintain a perfect record in one respect—Bay High has never lost a Gulf Coast Conference game in Bay St. Louis. Since 1958, Coach Lance Lumpkin's gridgers have dropped only one game at home, that a non-conference 14-13 defeat at the hands of Pearl River Central.

Halfback Don Soucier, the team's scoring leader who hasn't seen any action in the last two games, should be ready to go against the Greyhounds. Halfback Dick Warren, injured two weeks ago, is also expected back in the lineup. Halfback J. P. Compton probably will be out. The only other player not slated for full duty is end Davey Smith, out since the Harrison Central contest with back injuries.

If comparative scores mean anything, we'll review a few. Ocean Springs lost to Slidell by 13 points—so did the Bengals. The Greyhounds downed Harrison Central by 21 points while Bay High won by 20 over the same club. Hancock North Central fell before Ocean Springs by 26 points, and Bay High defeated the Hawks by 34. Ocean Springs won a 19 point victory from Long Beach while Bay High settled for a 0-0 tie. The Tigers' downed Pass High 19-0 but Ocean Springs had to score in the final minutes to beat the same club 14-7 last week. St. Martin easily fell before both teams.

The Greyhounds have a good fast squad with break-away backs. They'll use an unbalanced line and can throw the ball with success. The Tigers fortunately suffered no serious injuries in last week's tough game with Slidell, and are ready physically and mentally. We offer two particles of advice for those readers planning to attend the game—(1) Get to the stadium early, and (2) don't bet against Bay High.

Football forecast

Last week was our worst predicting week of the season, missing eight of 20 collegiate grid contests picked. Just about all seems had a poor week, however—Saturday was a day of upsets. For the season we're now 69-23-8, and counting ties as a half game right and a half game lost, we have a 73% record.

Back to the forecasting wars this week with another set of tangles. Starting with the SEC, we like Auburn over Mississippi State, Ole Miss over Chattanooga, Miami over Alabama, Florida over Georgia, Georgia Tech over Florida State, Kentucky over Vanderbilt, LSU over TCU, and Tennessee over Tulane. Elsewhere, it'll be Southern California over Stanford, Wisconsin over Northwestern, Texas over Baylor, Arkansas over Rice, Minnesota over Iowa, Oregon over Washington State, Missouri over Colorado, Michigan State over Purdue, Washington over California, Army over Oklahoma State, Syracuse over Navy, and Southern Mississippi over Trinity.

Side bars

Viewing this week's official NCAA statistics, among the offensive individual leaders only one SEC performer is listed. No, he's not Glynn Griffing, Jerry Sovall, or Billy Lohridge. He's a young man named Graves, he ranks second nationwide in kick-off returns and he plays for the Tulane Green Wave.

If anyone wonders how far a team can drop in one year, take a gander at Colorado. In 1961, Colorado ranked high all season and on the second day of this year played LSU in the Orange Bowl. Last Saturday when Colorado was home 62-0 by a so-so Oklahoma 11 it marked the sixth defeat in seven 1962 contests for the Big Eight school. In the six defeats, Colorado defenses have allowed an average of 43 points per loss. The only win was 6-0 over Kansas State, a team which is averaging exactly .857 points per game. Wow!

We don't as a rule fuss too much about ratings but when a team that has lost games by scores of 42-14, 26-3, and 7-0 can be ranked 15th in the nation by a major poll, we don't get it! Naturally the team in question is a Big Ten member, Iowa. We don't rate clubs on a regular basis, but this week we'll list the top 15 as we see them.

1, Ole Miss, 2, Southern California, 3, Army, 4, LSU, 5, Alabama, 6, Texas, 7, Arkansas, 8, Miami, 9, Wisconsin, 10, Northwestern, 11, Georgia Tech, 12, Oregon, 13, Washington, 14, Auburn, 15, Memphis State.

Ursula Pavre, a newcomer to local bowling circles, rolled a beautiful 211 game Thursday at Bay Bowl. Ursula, a 110-average bowler, was competing in the Mid-Pins League at the time. Hum off!

We've been asked time and time again to publish the list of top teen-age boys' bowling averages. Jimmy Griffin leads with a 162 average, Tommy Humphreys is second with a 159, and next are Mike Polindor 153, Dick Wain 146, and Gary Noss 144. Next week we'll give the men their due.

Jones homecoming marred by Vikings

Valens C. Jones' Tigers were downed by the Vikings of Ocean Springs 27-2 in their homecoming game Saturday.

Despite good defensive line play, Jones' secondary was unable to stop a four touchdown Ocean Springs aerial attack. Captain Warren, Warren and Sullivan, Carroll, quarterback, were

Hawks dump Kern

Years of bitterness and disappointment were forgotten Friday night as Hancock North Central celebrated two "firsts"—first homecoming at the school, and the football team won its first game in history after 50 unsuccessful tries.

Quarterback Eddie Peterson and end Berlin Lader shared the major part of the glory, combining for a 15-yard touchdown pass with less than two minutes left to break a tie and hand the Hawks a 20-14 victory over Kern School.

The Hawks, outwitted 15-20 pounds per man by a Kern eleven that boasts three victories this season, wouldn't be denied. North Central played without two first-string boys. Quarterback-halfback Kenny Randall missed the game with a pulled muscle and lineman Charles Wood was out with a flu attack.

Fullback Junior Necaise scored the first North Central TD on a 15 yard skirt around left end, and Quarterback Peterson added the PAT on a hard off tackle.

The second Hawk TD came when Jerry Necaise, an outstanding defensive performer, picked up a fumble and raced 10 yards for a score. Peterson passed complete to Paul Cuevas for the extra point.

In the fourth quarter, with time running out and the score knotted 14-14, Peterson again thrilled the large homecoming crowd with his passing, throwing 15 yards to Lader for the game-winning score. The extra point attempt missed.

An outstanding turnout which North Central Superintendent J. D. Patton estimated included about 600 North Central students, parents, alumnus, and other fans attended the contest. They witnessed the crowning of queen Carol Lane Lader during halftime festivities.

Head coach Ezell Lepraised the work of his entire starting team on both offense and defense. Those starters who put out all they had to bring the Hancock County School a football victory were: ends, Wendell Lader and Berlin Lader; tackles, Gerald Paige and Doyle Moore; guards, Clark Smith and Keith Shaw; center, Kenneth Peterson; quarterback Eddie Peterson; halfbacks, Werlin Lader and Paul Cuevas, and fullback Junior Necaise.

Jim Ginn sets Bowling record

A spiffing four pin may have robbed Jim Ginn of a perfect bowling game Tuesday night but he still rolled 289 in Bayside League competition. This is the highest score tallied at the local alley in either league or open competition.

Ginn, who bowls for North Bay Shopping Center team, began with ten straight strikes but failed to drop the recalcitrant four pin with his eleventh ball, needing a twelfth for that purpose. His 289 is more than double his 139 average.

Moss Point stops Rocks on the road

St. Stanislaus Rockchaws get a well-earned open date this weekend, before hitting the road for their final two games of the season. Coach Billy Murphy's 11 continued to have difficulty winning out of town Friday night, dropping a 33-13 decision to Moss Point there.

The Rocks, who won three of four 1962 home games, have lost all four of their away engagements. Stanislaus fell behind early against Moss Point, a member of the Big Eight Conference, and the Rocks never gained the lead.

The Tigers scored two touchdowns in both the first and second quarters in building up a 27-0 halftime lead. The Rockchaws scored their TDs in the fourth period while Moss Point tallied their final six points in the final stanza, also.

Winback Mickey Kingston scored the first Stanislaus touchdown, taking in a 12-yard pass from outback Darryl Rhodes in the opening minutes of the fourth quarter. The pass climaxed a 45 yard drive. Tailback Colton Jones' PAT attempt from placement was blocked.

With time running out the Rocks again hit the scoreboard

on a two-yard run by back Lenny Aucutt, capping a 60-yard drive which consumed most of the period. Jones' successful extra point boot ended Stanislaus scoring.

The Rockchaws will resume football activity Sunday, Nov. 18 against Hahnville, La. there. The following Friday Stanislaus travels to Vicksburg to play St. Aloysius of Vicksburg for the first championship of the newly-formed Mississippi Catholic Conference. The Rocks, in their first season under Murphy, now have a 3-5 record.

Slidell scuttles injury-ridden BHS

Underdog Bay High, playing without three top backs, fell 13-0 before a powerful Slidell 11 Friday night at Slidell in a tune-up contest for this week's Gulf Coast Conference championship game against Ocean Springs at Stanislaus Stadium, the season-ending homecoming contest.

Couch Lance Lumpkin's Tigers, missing the services of halfbacks Don Saucier, J. P. Compreta and Dick Watts, found Slidell's ball-control offense too much to overcome. The Louisiana Tigers ran 74 plays from scrimmage while the Bay Bengals got off only 32. The locals had one touchdown called back, a 60 yard run with a recovered fumble by halfback Tim Fagan late in the game.

Slidell gave early indications of what type of game the large crowd would see. They drove from their own 47 to the Bay High six, consuming 17 plays and about eight minutes playing time although not scoring. The locals

came back behind the passing arm of Johnny Penton to move about 30 yards before punting back to Slidell. After an exchange of punts, Slidell chalked up the game's first touchdown.

Fullback Randy Davis collected the score from one yard out, climaxing a 66 yard drive. The Tiger 11. Tackle Donald Arroyo booted the extra point.

Bay High, although playing well defensively, couldn't muster a scoring threat in the third period, and late in the quarter a 56-yard Slidell quick-kick to the Tiger 11 led to the other touchdown. Bay High punted out to the 39 and it took Slidell four plays to score. David romped 15 yards through the middle, halfback Waverly Calamia twisted and turned for 21 more, and then went in for the six points. The PAT failed.

Fagan brought Bay High roosters to their feet with four
